From this day on love will be our song  
Nothing can compare to what You've done  
It's all because of You, so we refuse  
To hold it in  
We cannot contain this joy we've found  
We are not ashamed to shout it out  
It's all because of You  
We found the truth

So we'll tell the world  
We'll tell the world

CHORUS:

Whoa, love is the answer  
Whoa, love is what we stand for  
Whoa, we won't be silent anymore, anymore, no  
Whoa, love is the answer  
Whoa, love is what we stand for  
Whoa, we won't be silent anymore, anymore

We are a generation born to stand  
We are a people called to shake this land  
It's all because of You, so we refuse  
To hold it in  
We cannot contain this joy we've found  
We are not ashamed to shout it out  
It's all because of You  
We found the truth

So we'll tell the world  
We'll tell the world

CHORUS

Love will be the song we sing  
Love will be the song we sing  
Love will be the song we sing  
Love will be the song we sing  
Love will be the song we sing  
Love will be our song  
Love will be our song

When we were trapped within our sin, When we trusted ourselves  
When we were blinded by our shame and guilt  
Overwhelmed

When we were searching for our worth, You died and gave yourself  
You rose and brought a hope so real  
And we're overwhelmed

CHORUS:  
We sing to the one who overcomes  
To the one who saves us from our sin and heals what's broken  
Sing, to the one who rescues all,  
Who will trust a love so perfectly complete in Him

We live within a world that fails, with pain we can't control  
You sustain us with a love that knows  
And we're overwhelmed

We sing for the rescue he's brought us  
We sing for the kingdom right here  
We sing for the hope in redemption  
He has overcome, He has overcome

Atoning sacrifice  
Keeper of this life  
Hallelujah, You are savior  
Beginning and the end  
Forgiver of my sin  
By Your mercy You have saved us

CHORUS:  
Jesus, You are stronger  
More than any other  
Hallelujah, what a savior  
Jesus, You are higher  
My soul's deepest desire  
Hallelujah, what a savior

You are the shepherd king  
You lead us by still waters  
Hallelujah, You are savior  
You are my only hope  
Your kindness is my friend  
In Your presence You restore us

You are the way, the truth and the life  
You are my joy and salvation  
Stood in my place, taking my shame  
Upon Your shoulders

God on a tree, nailed for me, nailed for me  
God set us free, He died for me for you and me

**CHORUS:**

Now we can see the greatness of His calling  
We can find mercy like the morning  
We can know the fullness of His love for us  
That's the beauty of the cross

God made a way where our sin left us stained  
Now we walk without blame when we call upon His name

I'll sing of Your grace  
I'll sing of Your cross  
I'll sing of Your love for us

Praise God, from Whom all blessings flow;  
Praise Him, all creatures here below;  
Praise Him above, ye heavenly host;  
Praise Father, Son, and Holy Ghost.

Unfailing love comes with/in the morning  
It's Your faithfulness we sing at night  
It's Your kindness Lord the leads to our healing  
All glory to our Maker and a thousand amens

You have given me  
Hope in everything  
Through my sufferings  
My comforts in you

You are my desire  
Defender through the fire  
In the darkness you became  
The light of the world by the power of your name

Your Glory  
Is great in all the earth  
You're holy

And I'm trusting in your word

My Story  
Will tell of all You've done  
The death of Your son, but You weren't done

CHORUS:  
Hallelujah  
Christ has come to win  
Defeated death  
To free us from our sin  
So I will sing  
And give you everything  
You're all I Need, You're all I need

Fill this empty life  
With what You would hide  
In my weary soul  
Lord, take full control

This world's not for me  
You are all I see  
I'm fully Yours  
I'm fully Yours

And You're all I need  
In this life You're in everything I see

High above the darkest night  
Shines your light  
And far beyond every ocean is you  
Long before creation  
Your glory stood  
I will sing a song of worship to you

CHORUS:  
Now I stand in awe of your unfailing love  
I will sing of your fame  
Emmanuel you came and you carried the cross  
I will sing of your name  
Emmanuel, Emmanuel, Emmanuel, Emmanuel

From your hands the heavens declare Your name  
Emmanuel the God who chose to love me

Son of God you reign  
Holy is your name  
Emmanuel you are

May today be the day Your Kingdom comes  
May today be the day Your will is done  
In this place as it is in Heaven  
May today be the day the darkness flees  
From our lives, our lands, our city streets  
May we see Your Kingdom in this place

We call You lovely  
Crown You worthy  
Say You're wonderful

CHORUS:

You are better than I know  
You are more than beautiful  
You are set aside the only One that we are breathing for

May today be the day that you touch our hearts  
Let the fire of Your love set us apart  
To bring Your Kingdom in this place  
Now the enemy's schemes are falling behind  
As we declare as Your children "Jesus Reigns on High"  
May we see Your Kingdom in this place

We call You lovely  
Crown You worthy  
Say You're wonderful

CHORUS

We are breathing

May today be the day that Your Kingdom comes  
May today be the day that Your will is done  
May today be the day that Your Kingdom comes  
May today be the day that Your will is done  
In this place, in this place

CHORUS

We are breathing

Triumphant Lord you are enthroned on high  
You're Father, Son, You are Revival's Fire  
Let Your Holy Sprit fill our lives  
Let us live so no one can deny

That You are God, You are God  
And we are Yours

**CHORUS:**

We cannot lift our voices loud enough to sing Your praise  
Or tell the wonders of Your endless grace  
Still with one voice we shout the perfect name  
Jesus, Jesus, Jesus

King of Glory and eternal worth  
Heaven's master and the Lord of Earth  
Let a holy passion fill our lives  
Let us live so no one can deny

There is none, not one, never will there be anyone  
Like our God

I was lost, undone  
Broken every way  
But you rescued me and gave a brighter day

You came into this world  
Walked where I have been  
You died to set me free and I'm alive again

I am not the same  
I am not the same

**CHORUS:**

Because of your love, your love, your love I am alive  
Because of your love, your love, your love I am alive

I was held by sin  
Defeated and alone  
When I turned to you it was your grace you showed

Your love has captured me  
Your grace has set me free  
You came and rescued me now I'm alive

**GOD OF ALL**

God of all mercy, God of all grace  
God of all glory and fame  
Wonderful, Counselor, Savior, my friend  
Your Kingdom, it has no end  
And forever You reign

And forever You reign

CHORUS:

Oceans cry out and the stars declare  
Who You are, who You are  
All of the splendors of Heaven unveil  
Who You are, who You are  
Lord, You are. Lord, You are.

You are King of kings, You are Lord of lords  
You are Everlasting  
You are Prince of Peace, You are Mighty God  
You are Never-changing  
Lord, You are

When you fall asleep tonight  
In your warm and cozy room  
Know that I'm awake and I  
Got no shelter and no food  
I am not alone, my friends are broke and lost  
Looking for some warmth to lead them to my cross  
I need your help, I need your help

CHORUS:

Won't you be my bones calling  
Won't you be my hands healing  
Won't you be my feet walking  
To a broken world  
Won't you be my chain breaker  
Won't you be my peacemaker  
Won't you be my hope and joy  
Won't you be my love

His daddy passed away  
It was just two years ago  
He keeps looking for his face  
Everywhere he goes  
He's got questions about this life  
Of what is wrong and right  
I need your help, I need your help

CHORUS

To those I call my own  
To those I've set aside  
As spotless without blame  
The chosen ones my pride

We will be your bones calling  
We will be your hands healing  
We will be your feet walking  
To a broken world  
We will be your chain breaker  
We will be your peacemaker

We will be your hope and joy  
We will be your love

We will be your love
